ORDER DISREGARDED

OTTAWA, Ont., Aug. 6.—England to night accepted Canada's offer to raise an expeditionary force. Today orders were issued to commanders of militia regiments all over Canada to call for volunteers. A division of 21,000 men will be raised. At every regimental headquarters a recruiting office will be opened tomorrow with a recruiting officer and a medical officer in attendance.

Every effort is being made to provide strong defenses for Sydney, Nova Scotia, the center of great coal mines, the terminus of Atlantic cables and the site of a powerful wireless station.

Winnipeg, Man., Aug. 6.—Roused to a high pitch of enthusiasm by the parading of troops and warlike speeches of street orators, a mob tonight stoned the German and Austrian consulates and the German club here, doing considerable damage. Police were called out and a guard placed about the Austrian consulate, but the German consulate and German club closed indefinitely.

GIRL'S HAND INJURED.

Montpelier, Ida., Aug. 6.—Miss Libby Wuthrich suffered severe burns on her right hand Monday while feeding a mangle in the Montpelier steam laundry. FINISH INSPECTION OF HIGHWAY ROUTE

Salt Lake, Aug. 7.—W. F. Jensen, president of the Commercial club; Secretary Stark, State Engineer Morgan and others who spent several days in going over various routes south of Great Salt Lake and into

Nevada, returned home yesterday fully convinced that such a route is not only feasible but that the cost of putting the road into first-class shape would not be great. Mr. Stark said last night that the party which he accompanied went over one route and returned over another, traveling a distance of 386.4 miles. Mr. Stark said that the county commissioners and the leading citizens of Tooele county had promised to do all in their power to put the roads in first class shape. E. R. Morgan, state engineer, who will conduct further investigations as to the best route to be selected, said last night: "We consider the building of a road west of Salt Lake to the Nevada line feasible. However, we have no decision as to the route. That is to be put up to the state road commission after several more passes are examined. The people of Tooele are much interested and seem to be willing to have the best route chosen regardless of its effect on the various towns. The county commissioners of Tooele are co-operating with the state road commission for the best interests of the road."

Lonely Station Adorned. Twin Falls, Aug. 6.—Passengers awaiting their trains at the lonely station in Minidoka will hereafter be made cognizant of the fact that across the sagebrush desert to the southwest lies a wonderful oasis known as the great Twin Falls country. ALLEGED BURGLARS TAKEN INTO CUSTODY. Salt Lake, Aug. 6.—Three alleged burglars were arrested yesterday. The first two, Harvey Pinkerton and Arthur Jirard, each 20 years of age, were arrested by Detectives W. C. Zeese and Herbert Leichter. The detectives say that the two broke into the Lamoni garage and stole \$3.95. They were betrayed to the sleuths by the car's footprints in the sand at the rear of the building.

The third man, M. Rivers, a Mexican, 31 years of age, was caught in a West First South street second-hand store last night by Night Watchman Radke and Patrolman Payne. He was locked up on a charge of attempted burglary.

ITALIAN MINER KILLED. Bingham, Aug. 6.—Louis Schema, an Italian, 45 years of age, employed
